### **Centreville Town Manager Submits Resignation**

January 19, 2006 - Centreville Town Manager, Royden N. Powell, III submitted his resignation tonight as part of his report to the Town Council, effective March 31, 2006. Powell cited personal issues as his reason for leaving the position he has held since August, 2004.

During his tenure, Powell has focused on infrastructure and organizational issues within town government. The start up of the Town's new wastewater treatment plant and spray field, initiation of long range capital planning, the development of water and sewer allocation policies and procedures, as well as revision of various personnel policies and salary plans have been his primary accomplishments. Powell also assisted in the development and adoption of the Town's Capacity Management Plan, the first of its kind in Maryland.

"We are very sorry to lose Royden as our Town Manager", said Council President, Donna S. Turner. "He has been very effective in addressing a number of technical issues and helped us when we needed it the most".

Powell said he has no immediate plans for the future and agreed to stay until the end of March to assist in the hiring of a new town manager.
